Policy for CUI, Sahiwal Campus VPN Users

a) The service is available only for those CUI, Sahiwal Campus Students who have been registered through proper procedure.

b) It is also the responsibility of users with VPN privileges (VPN Users) to ensure that unauthorized users are not allowed access to COMSATS Sahiwal internal networks.

c) VPN users are responsible for their password security. Sharing credentials is illegal. The password should be alpha-numeric and not less than eight (8) characters.

d) VPN users will be automatically disconnected from VPN after sixty minutes of inactivity. The user must logon again to reconnect to the network. Artificial network processes are not to be used to keep the connection open.

e) The users should ensure that his/her system is healthy and secure before connecting VPN. If the system is found having viruses, worms, spammers, or any network scanner; the infected system will be disconnected from the COMSATS VPN.

f) The objective of this service is to provide digital library access to the researcher of COMSATS Sahiwal campus. Any kind of misuse, redirection, use of network discovery tools and penetration testing is not permitted in COMSATS network.

I understand the terms and conditions stated above and agree to accept the responsibility.
